Welcome to The Fire Horn

Messages and Alerts

Receive your alerts for calls for service and informational messages from your agencies.

Radio Feed

Listen to your radio feed to keep up with your agency. Review past radio transmissions and call

Set your availability status

Available for Response

Use this status to show yourself as on duty / available for calls for service.

Available for Call In

Use this status to show yourself as available for overtime calls, or secondary response.

Busy

Use this to show yourself as on duty but busy (meal, special detail, etc).

Out of Service

Use this status to show yourself as off duty / out of service.

Radio Feed

Access your radio feed no matter where you are. Scroll back in time to any past transmission for reviews, auditing, and training. Never ask for a repeat of radio traffic ever again.
